## ONOLULU TURNED OUT TO "RECOGNIZE" THE NEW CHINESE REPUBLIC AND DO HONOR TO THE SON OF ITS PRESIDENT

Citizens of All Classes Throng the Hall of the United Chinese Society.

Local Republicans Sent Gifts to the New President and Old Friend.

Honolulu's cosmopolitan population last night demonstrated fully its sympathy with the revolutionary movement in China. Nearly two thousand Chinese and foreigners attended the reception at the rooms of the United Chinese Society given in honor of Snn Fo, eldest son of Dr. Sun Yat Son, President of the Republic of China, who sails today for Nanking.

Of local Chinese, young and old, there was an enthusiastic gathering, but not a queue was seen in all the assemblage.

Sun Fo showed his delight in the greetings of the people and in the gifts from admiring friends and societies which he will take to his father, One was an elaborate illuminated letter testimenial, which bore upon its beautifully decorated surface the pro-PLEASE GOVERNOR beautifully decorated surface the pro-Chinese in the Hawaiian Islands to their new president and old friend.
